CAPITAL CITY CLASSIC

From October 24 to 26, we co-hosted the 2025 Capital City Classic offseason competition with 2073 EagleForce, 3859 Wolfpack Robotics, 5274 Wolverine Robotics, and 701 RoboVikes at Pleasant Grove High School in Elk Grove. We placed first after going undefeated through ten qualification matches, selecting 5940 BREAD, 1967 The Janksters, and 5274 Wolverine Robotics for our alliance. After falling short in two grueling finals matches, our alliance finished second.

FALL WORKSHOPS

Capital City Classic offers us the opportunity to hold our annual Fall Workshops. Each year, we co-host an event where veteran teams provide their experiences and advice on different robotics fundamentals and technical components. This year, we held 16 different presentations with the help of four other teams: 1671, 9470, 5940, and 581, covering a variety of topics including Elevator Design, Media Basics, and Effective Driver Training.

CITRUS CHAMPS

On November 2, we held our second annual Citrus Champs competition. During the offseason, we built three clone robots of FRC teams 1778 Chill Out, 2910 Jack in the Bot, and 6665 C-Otters, allowing us to run an in-house tournament with six robots all built by our team. After ten qualification matches and two finals matches, four robots came out on top and went on to compete at MadTown Throwdown: Omega, Comp, Alpha, and the 6665 clone!

MADTOWN THROWDOWN

We attended MadTown Throwdown, an annual offseason competition hosted by 1323 MadTown Robotics and 1671 Buchanan Bird Brains. We competed with four robots: Omega, Comp, Alpha, and our 6665 C-Otters clone. After nine qualification matches, Omega placed fourth and was selected by 581 Blazing Bulldogs for the second alliance along with the B-robots from 2073 Eagle Force and 971 Spartan Robotics. Comp and our 6665 C-Otters clone were also chosen to compete in the elimination matches on other alliances. We are so proud of our pit and crew and drive teams who stepped up and worked tirelessly to put four robots on the field.

DYR LEAGUE TOURNAMENT

On November 16, we hosted the second DYR League tournament. The event had a fantastic turnout, with 25 teams competing, and lunch was generously provided by our new team sponsor, Woodstock's Pizza. Congratulations to the Teamwork Champion Award winners: 81777A Spicy Noodle and 95014X GaGaGuGu. Thank you to all the volunteers that dedicated so much time and effort to make the event run smoothly!
