

Digital Minds Robotics Summer Camp

What: Summer robotics camp for local youth

Who: Incoming 4th – 8th grade students

Where: Pioneer High School, Woodland.

Introductory Robotics:

Session 1: June 24 – 28. 9am – 3pm

Session 2: July 8 – 12. 9am – 3pm

In this camp, students discover and develop science, math, engineering and programming skills through designing, building, and programming a robot. This week-long camp takes students through a project-based challenge, culminating in a fun and interactive competition where students get to put their creations to the test. As an introductory camp, this camp is perfect for kids with little or no robotics experience.

Intermediate Robotics:

Session 3: July 15 – 19. 9am – 3pm

This camp is geared towards students who already have some robotics experience. The students will have more freedom in designing, building and programming their robot to meet the challenges of the culminating competition.

Registration: \$250.00

Mail registrations to: Digital Minds Robotics, 1400 Pioneer Ave, Woodland, CA 95776

Please enclose check payable to **Digital Minds Robotics**
